Dolomites very closed: large plateaus, rough rock faces and South Tyrolean comfortableness – three days is during this trip in the Gadertal Valley, in the northern part of the dolomites. A geological travel through time and some legend of the Dolomites are waiting for the hikers. We will pass the "Jakobstöckl", the Würzjoch, the "Roa-Scharte", the "Puezhütte" (hut) until we come back to the valley. Culinary delights and beautiful huts: that's more than you expect!

Meeting point: St. Lorenzen, parking area behind the village at 08.30 - first day of the hiking tour.

Booking: until 31/05/2018
